1. Prince TE was unsuccessful in his attempt to get funds and equipment from the Chinese Central Government for the Mongol cavalry now at Shampa. He believes he will be able to get these troops into Alashan (105- , 38-) but fears that he will not be able to retain their loyalty if he cannot support them. It is possible that they will resort to banditry.
2. Prince TE also needs funds for the proposed Mongol conference on the autonomy movement.
